

Legislature LXXXIII

Forwarded Legislature LXXXIII - January 6th, 2022 Gregorian/

March 6th 5522 Moonvian.

Outline of the passed legislature:

When Moontonia becomes a world superpower, government buildings must be very large and echoey and must have a constant drone of throat singing like in blade runner 2042.

Details of the vote:

The Senate voted on the details above and decided 14 - 0 in favor of passing the legislature.

Ratification:

As of the date January 8th, 2022 Gregorian/ March 6th, 5522 Moonvian, the legislature as stated above has been passed and ratified across all six of the Moontonian States.

The signature below guarantees the legitimacy of this legislature:

Iain Turnbull
Supreme Leader Iain Turnbull

Benjamin Ellis
Supreme Grand General Ben Ellis
